### PDF LOCATION PLAN (NO CHARGE)

A pdf map highlighting the area of interest and any injury collisions recorded by the Police within that area. Collisions are indicated by star symbols and colour coded to show injury severity.

### STANDARD PDF REPORT REQUIRED £145+VAT (£174 inc VAT)

Extensive areas are subject to an additional charge of £45+VAT (£54 inc VAT) per hour

A pdf report listing details on each of the collisions in the area highlighted. To see an example report please visit: [www.devon.gov.uk/example-collision-report.pdf](http://www.devon.gov.uk/example-collision-report.pdf). Please note: If no collisions were recorded in the area a plot will be provided and standard charge still applies. You can check first via [www.devoncctraffweb.co.uk/public/collisionmap](http://www.devoncctraffweb.co.uk/public/collisionmap). If a new date range or similar area to a previous request is needed then this is deemed as a new request. Extensive/very large search areas may be subject to higher charges, you will be advised in advance if a higher charge applies. If you have been given a surcharge quote already please enter it here: *Additional £ +VAT*

### OPTIONAL EXTRAS: (COSTS ARE IN ADDITION TO THE STANDARD PDF REPORT CHARGES)

#### CONTRIBUTORY FACTORS LIST - EXTRA £50+VAT (£60 inc VAT)

This lists all the contributory factors that were assigned to collisions, and how many times they were recorded. The data is based on the Police Officers opinion and is subjective - for more details and an example list please see: [www.devon.gov.uk/examplecfs.pdf](http://www.devon.gov.uk/examplecfs.pdf)

#### RAW DATA OUTPUT VIA EXCEL - EXTRA £50+VAT (£60 inc VAT)

Essentially a copy of the pdf report information outputted via an excel spreadsheet. It includes three tabs of data covering the accident circumstances, vehicle and casualty data.

If you choose both optional extras the contributory factor data will be provided in the excel spreadsheet for each collision

Please send this form + your location plan showing extents of area to be included to: [collisiondata@devon.gov.uk](mailto:collisiondata@devon.gov.uk)

**Standard payment terms:** Normally an invoice with payment instructions will be emailed or posted out shortly after you have submitted your form. Once you have made payment please email us to advise. Information will be provided within five working days of receiving cleared payment. Data will be sent encrypted via Egress Switch, registration required, visit [www.egress.com](http://www.egress.com) and click free signup.

If you are enquiring in relation to a turned down planning application, a Parish/District Council or a student please complete green box below and fees will be waived.

It's free to check a five year collision history via [www.devoncctraffweb.co.uk/public/collisionmap](http://www.devoncctraffweb.co.uk/public/collisionmap)

### STATS 19 DATA LIMITATIONS

This data only includes injury collisions reported to/recorded by the police. It only includes collisions that occurred on a highway, involved one or more vehicles and involved human death or personal injury that were notified to the Police within 30 days of occurrence. Data collection and release is governed by the Department for Transport. Plymouth and Torbay collisions are not included as they form their own unitary council areas. Definitions of serious and slight injuries (as well as answers to other frequently asked questions) can be found via: [www.devon.gov.uk/collision-data-faqs](http://www.devon.gov.uk/collision-data-faqs)
